

## Bridge Tender Annual Fund 2010

*Replacing Barriers with Bridges of Hope*

Volunteers and charitable donors foster our collective goal to address the challenges of poverty in Raleigh – especially homelessness. Whether you're motivated by a social justice ethic or desire to make friends, like-minded supporters of The Hope Center at Pullen receive more than they give when helping replace barriers with bridges of hope. Together, we inspire each other to live a fulfilling life grounded in self-worth and hope.

**Join the Annual Fund. You can do one or all Bridge Tender roles. All ages are welcome!**

### Hope Center Fan!

**Being a fan means being an active volunteer.** Select from a variety of volunteer opportunities. Get to know Hope Center participants *and* develop skills.

### Hope Center Community Partner!

**Grow the alliance.** We invite organizations working to empower and lift friends in need out of difficulties to partner with us. We'll share ideas and resources, and we'll collaborate on advocacy efforts.

### Hope Center Ambassador!

**Ambassadors recruit volunteers.** After training, you'll join our Speakers Bureau. We'll arrange for you to attend local events to share Hope Center stories. A \$50 gift would be welcome to show extensive ambassador support.

### Hope Center Conductor!

**Conductors manage the helm of operations.** Use your business and personal skills—fiscal management, event planning, networking, public relations—in service on a committee. A \$50 gift would be welcome to demonstrate widespread conductor support.

### Hope Center Patron!

**Patrons assure critical resources for programs.** We'll give you a tour of The Hope Center and answer questions about day-to-day operations and programs. You'll receive the devotional *How Can I Keep from Singing*.

Individuals and organizations can provide essential support at three levels:

Upholding Patron:	\$300
Sustaining Patron:	\$800
Leadership Patron:	\$1,500

### Hope Center Champion!

**Channel your energy for a fundraiser.** Anything goes from a bowl-a-rama to wrapping holiday gifts. Organize a project to gather program materials. Involve your civic group, faith group, youth club, friends and neighbors. We'll honor you at the event.

### Hope Center Sponsor!

**Direct your gift to a pet project.** Individuals, clubs and organizations provide essential underwriting support. We have program activities, events and supplies that can significantly benefit program participants. Choose what suits you.

**The Hope Center at Pullen**—a faith community of hospitality, affirmation and justice—strives to remove barriers to opportunity through personal and community partnerships.
